CLASSES ON THIS ANNUAL PLAN ARE MINIMUM EXPECTATIONS! Two months AHEAD of the class month each Assigned Host must contact the instructor/s, coordinate a date, cost, class site, & course description, then draft & send a flyer to the Co-Op Email Keeper. Once publicized, host handles registration, payments, & creates roster. On day of class, host sets up food, coffee, equipment, check-in, evaluations & completes a final report.

ANY member agency may offer ADDITIONAL classes in any month for publication via the Co-Op email & website, as long as a reasonable attempt is made to avoid date/topic conflicts.

SORTED alphabetically by HOST AGENCY (PLUS Co-Op Mentor*):
