Welcome to the Region 1 DD

Training CO-OPerative!

The Training Advisory and Steering Committee (TASC) are thrilled to partner with you to fulfill the mission of the CO-OPerative (CO-OP)! Since 2003, the Region 1 DD Training CO-OP has reflected the collective spirit of commitment to host trainings powered by the generosity of the 37 (& growing) voluntary CO-OP member agencies or Independent Contractors. Together we work to host high caliber classes on topics of interest to the community supporting individuals with intellectual/developmental disabilities within Oregon's five-county region: Clackamas, Clatsop, Columbia, Multnomah and Washington. Read further in this "Host Kit" for information about Region 1 DD Training CO-OP membership <u>expectations and protocols</u>.

Function of the CO-OPerative

What is a CO-OPerative?

A CO-OPerative is a group of people acting together to meet the common needs of its members. This CO-Operatives' focus is on providing value, not making profits. The Region 1 Training CO-OP is composed of and dependent on ALL of its members.

CO-OPerative objectives:

- 1. To increase interaction & networking among professionals.
- 2. To meet the needs and interests of its members to provide opportunities for on-going training and skill enhancement.
- 3. To share resources, talents and efforts to meet said interests.

CO-OPerative principles:

Voluntary and Open Membership

Participation in the CO-OP is voluntary, and we are committed to treating all people equally. It is our policy not to discriminate on the basis of race, color, national origin, disability, religion, age, sex/gender, sexual orientation, gender identity and expression, marital status, veteran status, source of income, or any other basis prohibited by federal, state, or local law. If you think you have experienced discrimination, please contact us. We will review all concerns.

Member Participation

Members are comprised of agencies and independent contractors who provide services to people with developmental disabilities. Members help provide education and training for service providers, and take turns hosting classes. The classes are open to staff affiliated with the host, the CO-OP, or community of service providers and people with developmental disabilities.

Education, Training and Information

Through the combined efforts of the members of the CO-OP, more training classes can be offered, throughout the year, over a greater geographic area, and with a lower investment of time and money. Training information is posted to a public website, managed by SDRI, and flyers for upcoming classes are distributed to our email list.

Member Economic Participation

Direct costs for each class are covered by fees collected for that specific class and kept to a bare minimum. The amount of staff time that member agencies spend hosting and advertising classes within their own agency is an in-kind contribution in lieu of any cash membership fees.

Function of the CO-OP developers:

The Training Advisory Steering Committee (TASC) is a small group of people drawn from interested partners from DD services for vocational, residential, behavioral, day program, and public community program (i.e. Parks & Recreation). Together they identify relevant class topics of interest, draft an annual class schedule, identify new community trainers and resources, mentor new members, and develop group policy as needed. <u>TASC members</u> also fill the following roles:

E-Mail, Paper, and Host Kit Keeper: Alice Longley Miller longley@ohsu.edu

Website Keeper: Michael Gmirkin michael@sdri-pdx.org

Joining the CO-OP

Membership:

If you or anyone you know is interested in becoming a CO-OP member, please contact a TASC member for more information, an application and a Host Kit. After your application is reviewed, you will be contacted to discuss the host kit, training ideas, space accommodations, and how you can be integrated into the Annual Plan of classes.

The CO-OP membership was created years ago to provide caregiver training that the federal, state and county governments were unable to fund. The CO-OP continues to fulfill a vital need for current knowledge and best practices for supporting the evolving needs of people with developmental disabilities living in our communities.

TASC:

Membership is open to any CO-OP member affiliate willing to regularly attend quarterly meetings and fulfill additional duties to support the on-going operation of the CO-OP.

Membership Benefits include:

- Identifying new and/or priority training needs for the people you support
- Building community relationships with Instructors and collaborating on course material to ensure it includes up-todate research, and a review of 'best practices' for support staff

- Experience hosting a class to provide free training spots to a number of your staff, and an affordable, educational event for other attendees
- CO-OP resource lists which can be used to network, building new relationships with other members of the community, and/or with experts on topics of interest to you

CO-OP Membership Obligations

The **two** major obligations of CO-OP members are as follows:

- 1. Host 1 to 3 specific classes each year, January to December, according to the Annual Plan, typically published every winter. The month, topic and suggested instructor are pre-assigned for each member agency. The member agency is responsible to make all the advance arrangements as host and registrar in a timely manner.
- As a CO-OP Member, your agency designates a reliable contact person to track your assigned class (es) and coordinate hosting responsibilities, beginning three months prior to the month the class is scheduled to occur. If a class must be postponed or pushed out into the next month, contact the "E-Mail Keeper" to check for schedule conflicts.

It is the <u>Host's responsibility</u> to:

- Initiate contact with the Instructor(s) well in advance to coordinate a date and location for the training. Discuss whether they will charge an instructor fee (note: some trainers related to an agency, i.e. Region 1 Crisis Diversion, do not charge an Instructor fee). Our experience has been that attendance can be approved when a small fee for the class is paid in advance. Use this information and factor in any costs (i.e. coffee, snacks) to determine how many people you will need to register for the class, and the cost for the registrant. Plan for a lower registration # to be certain to cover your expenses.*
- The host should ask the instructor to do one of two things:
 - Either <u>submit an "Accreditation Request for AFH Training" to the state to gain training</u> <u>accreditation for foster providers</u>,
 - Or provide the Host with a concrete description of the class content (agenda, outline, power point) for the Host to use to complete the "Accreditation Request for AFH Training" form and send to the state.

Class publicity is done via E-Mail to all current members of the CO-OPerative.

- The host member must send a Word doc. flyer for each class to the "E-Mail Keeper" as soon as a specific date/time/location/cost info and flyer is available, ideally two full months prior to class date. You can get a sample flyer from the "E-Mail Keeper".
- The <u>"E-Mail Keeper"</u> circulates the announcement within 3 business days to our "mailing list" which includes: CO-OP members and other service providers who request notifications.
- After a class is completed, the Host Contact Person sends the following documents to the "Paper Keeper":
 - copies of the class roster,

- evaluations,
- and the Completion Report, which provides information helpful for future course planning, and provides longitudinal data we can use to support requests for funding future trainings (from the State, Counties, or Grant Foundations).
- *NOTE: The expectation is that you <u>set aside at least 50% of the class capacity for CO-OP members outside</u> <u>your own agency for trainings</u> but any space remaining a week prior to the event may be used for the host agency's staff or subcontractors.
- 2. Distribute flyers for all CO-OP classes: This process functions as an E-Mail tree. Each CO-OP member designates a <u>reliable</u> Contact Person within their agency to receive E-Mailed flyers from the CO-OP "E-Mail Keeper". The Contact Person forwards the CO-OP E-Mails containing class flyers to their own "circle" of interested contacts on the day the announcement is received.
 - i. There is no budget for mailing or advertisement; each CO-OP member is asked to publicize "in-house", and within their own circle of contacts. The member CO-OP Contact Person is asked to distribute flyers on paper or by E-Mail to their circle of staff, families, clients and subcontractors.
 - ii. <u>County agencies please send the class flyers to your DD foster care providers (for children</u> <u>and adults, depending upon topic)</u>.
 - iii. This distribution is the **only** way CO-OP classes are publicized, so it is extremely important the CO-OP Contact does his/her job of distributing training flyers quickly.

Flyers are also downloadable from the website: <u>www.sdri-pdx.org/complete-calendar</u>. [

What is the "Host Kit"?

This document is your "Host Kit", created to help you organize and understand your hosting process so your CO-OP experience is less stressful. The kit includes advice, resources, samples, protocols and CO-OP operating policies based on the experience of others in the CO-OP and the Region 1 DD Training Program.

The "Host Kit" includes:

- •Annual Plan
- •List of Instructors & Courses
- •List of Possible Training Sites
- Event Planning Guide
- •AFH Training Credit Application
- Financial Risk of Hosting CO-OP Class
- •Fee Worksheet
- Flyer & Registration Template

- •Class Roster Form
- Post Card/Confirmation Sample Template
- Evaluation Template/Sample
- •Certificate Template/Sample
- •Completion Report Form
- •List of CO-OP Members
- •List of TASC Members

Annual Plan

For clarifications about anything on this Region 1 I/DD Training CO-OP Annual Plan please contact longley@ohsu.edu or see the WEBSITE at www.sdri-pdx.org/CO-OP/

- This Annual Plan features a rotation of general class topics (behavior, clinical, etc), locales, instructors and new 'hot' topics. The schedule attempts to provide similar trainings several months apart, and in different locations to encourage full classes, rather than sponsoring 2 classes on Autism in the same month.
- If you are interested in hosting a specific topic and/or Instructor, please let the "Paper Keeper" know. We will try to accommodate your requests.

The "E-Mail Keeper" will send your 'Host Contact' an E-Mail reminder 3 months in advance of your scheduled class. Updated Kits are E-Mailed periodically from the "Host Kit Keeper" and are available for download from the CO-OP Website at <u>www.sdril-pdx.org/CO-OP</u>.

Changes from the Plan are inevitable, as Instructor and Host availability and responsiveness vary. Hosts should work closely with TASC member(s) to work out timing, instructor changes or trades. It's the Host's responsibility to initiate contact with a suggested instructor listed in the Annual Plan. The instructors listed are suggested, but are not confirmed already to teach on specific dates. If you have recommended Instructors, please contact the 'Paper Keeper" to update our Resource List.

Classes on this Annual Plan are <u>Minimum</u> expectations! Two months AHEAD of the class month each Assigned Host must contact the instructor/s, coordinate a date, cost, class site, & course description, then draft & send a flyer to the CO-OP "E-Mail Keeper". Once publicized, host handles registration, payments, & creates roster. On day of class, host sets up food, coffee, equipment, check-in, evaluations & completes a final report.

Event Planning Guide:

Time Frame	Tasks
Annually between October & December :	 Review "Host Kit" sent to you. Read your Annual Plan and Mentors available to assist you. Replace Host Kits with updates received from the "Host Kit Keeper". There is usually a fairly current version available as a download on the website, www.SDRI-pdx.org/CO-OP.
12 weeks Before (3 months)	 Creat Event Plan. Dete rmine 3 – 5 preferred dates. Make sure these dates do not conflict with other significant events or religious holidays, especially other CO-OP classes (check the SDRI website). Double check by contacting the "E-Mail Keeper" for known scheduling that could create a conflict with your dates. Notify the "E-Mail Keeper" with the date you reserved for your training. Rese arch and secure training sites for event – Book venue. Ideal locations have free and ample parking, are centrally located, and may be accessible by public transit. Avoid downtown and distant, remote sites if
	 possible. Cont act the proposed instructor about their availability on your proposed date. If you need suggestions for alternate presenters, contact the "Paper Keeper". Talk to the Instructor about the minimum & maximum number of students for this class. Discuss set-up & take down schedules, as well as, the supplies needed (equipment, handouts, certificates, snacks) and who will do what.
	 Prep are projected event budget to calculate the class fees you need to collect from each student. Decide on your registration fee per person (see Fee Worksheet pg 26) and acceptable forms of payment. Typical fees are \$10-50 per student (more for OIS) in the form of checks or money orders unless you can manage credit card or cash purchases. We recommend you complete a simple Accreditation Request for AFH Training (pg 22) from the State's Training Credit Committee (TCC) so Adult Foster Care Providers in your class can get continuing education hours. At minimum, attach a copy of your flyer to the Accreditation Request for AFH Training (Form 1510) to reference instructor and class description and indicate "see flyer" on the Form 1510. Until you get final answer announce 'certification is pending'. For more information, go to the state web address

	Crea
8 Weeks Before	e a one-page flyer(template pg 27) using Microsoft Word, including a <u>registration form</u> with all the information for class and send it as attachment to the "E-Mail Keeper" , <u>irene.lee@multco.us</u> with a copy
(2	to joanne.oconnell@multco.us as an attachment. This should be sent out approximately two months prior to the date of the class (For Example: for a June 20 TH Class, a flyer should be sent on April 15th). We
months)	want to provide enough flyer circulation time to fill your class, and reduce the risk of cancellation due to low registration. E-Mail <u>region.one@multco.us</u> if you are behind schedule.
	e what your refund policy will be and include it on your flyer. Typical policy is to refund any canceled class by decision of Host Agency or instructor. Consider refunding student cancellations when notified at least 10 working days ahead of class. Make clear there are no refunds for no-shows or lack of advance notice
	Cont rm with the "E-Mail Keeper" that your flyer was received. They should promptly check it over for errors, and then distribute it to all CO-OP member contacts. See for yourself whether the notice comes back to you as part of the group distribution.
	Set
	up a process to collect and process registrations on a detailed roster. Use the sample in the Host Kit (pg28 or design your own to collect additional detail. The designated class "Registrar" within your agency should have a copy of the CO-OP member list in order to determine who should be paying double as a non- member. Ask that person (your "Registrar") to additionally make note or tally the approximate number of hours spent doing registration. You will need this information for the final step's Completion Report (pg
	<mark>33</mark>). □ Begi
	to receive registration fees and track their details and accumulation as they come in. Families of DD consumers and DD child or adult foster care providers are always allowed in at member rates. Fees for other non-CO-OP members are double those for CO-OP members except for OIS and HCR classes that are open to all at the member price (Non-members are generally staff of DD agencies who opted not to join the CO-OP). If you are not sure of an agency's membership status, check the members list in this Host Kit. If there is a strong question whether you will receive enough registration to cover costs for a class you ma consider holding checks back from processing until you have enough people registered to cover costs. If a class is canceled it may be easier to return checks than to issue refunds.
	Call
	to confirm registration for individual students or send an email to confirm registration.
	k the website at <u>www.SDRI-pdx.org/CO-OP</u> for the class to be posted. The Webmaster uses the "E-Mail Keeper" notices to update the website, about one week after received. If you have seen the E-Mail announcement, but your class posting does not appear on the website after one week, contact the
	Website Keeper.
	Sence

Cancelation Procedures

If a class must be cancelled, immediately:

- Email EVERY registered student (or their agency contact)
- Email the "E-Mail Keeper" to send out a cancellation announcement.
- •We also suggest you post a sign at the classroom site to inform any last minute walk-ins or anyone you were unable to reach by phone or E-Mail about the cancellation.

Disability Accommodations

CO-OP Hosts will make disability accommodations whenever possible.

- Class participants must request accommodations 2 weeks in advance or as soon as possible. Accommodations may include: larger font handouts; reserving a seat on an aisle, closer to the sound output or visual displays; allowing an aide or interpreter into the class.
- The hosting agency will inform the participant when a requested accommodation cannot be met. Then the participant or his/ her employer should attempt to meet the accommodation for that individual.

Class Approval for Foster Care Training Hours Credit

Foster Care Providers now need their training hours & classes to be approved by the state office of Seniors and People with Disabilities Adult Foster Care Training Accreditation Committee. A copy of the "Request for AFH Training Credit form" (SDS 1510) is provided in the Host Kit.

Completing this form for Foster Care Providers attending your class and submitting it to SPD by E-Mail as listed on the form is not mandatory, but a very helpful service you can provide. Foster Care Providers need to complete 12 to 14 training hours per year (different cycles) and are likely to enquire if the class has been approved by the state for 'accreditation', and for how many hours

Instructions for Completing SDS 1510

The Adult Foster Home (AFH) Training Credit Request and Web Posting Form are used to serve two purposes.

- The primary purpose is to submit training requests to the Department of Human Services (DHS)/Oregon Health Authority (OHA) AFH Training Credit Committee (TCC) for course approval.
- The second purpose is to submit training events for posting to the AFH training website that do not require course approval from the TCC.

Please read the instructions carefully to ensure that you are providing all necessary information for the appropriate purpose.

Instructions for Completing SDS 1510

<u>Prior to submitting any requests</u>, check the <u>AFH Approved Training website</u>, as the course may already be approved. If the course is already approved, <u>do not</u> send in a request for the sole purpose of receiving a "certificate" or verification of course approval for licensure. The TCC <u>WILL NOT</u> provide certificates of attendance or participation.

If submitting training for posting to website only:

- Check that <u>all</u> criteria (*listed below*) for agencies with delegated approval authority are met for the organization and training event prior to submitting training for posting to the web.
- Completion of Sections 1 and 2 are required for all trainings. Portions of Section 3 may be completed if additional information is to be added to the posting, including registration information.
- Only trainings that meet the intended training requirements of the AFH Providers will be posted to the web.

Criteria for agencies with delegated approval authority

- (1) Courses provided or sponsored by staff from the following organizations will not require approval from the AFH Training Credit Committee when the training meets requirements under applicable OARs and presented to the provider types for which the delegated organization has oversight. Only the AFH TCC may extend the approval to AFH provider types not within the delegated organization's authority.
 - Oregon Long-Term Care Ombudsman
 - Office of Licensing and Regulatory Oversight (OLRO)
 - Office of Adult Abuse, Protection and Investigations (OAAPI)
 - AFH Licensors with authority over OHA or DHS AFHs
 - DHS/AAA or AMH staff with management approval
 - County Mental Health Residential Specialists
 - Oregon Home Care Commission (OHCC)
 - Oregon Technical Assistance Corporation (OTAC)
 - Community Developmental Disabilities Programs (CDDPs)
- (2) The specific courses, offered by the organizations listed below will not require approval from the AFH Training Credit Committee.
 - Fire and Life Safety Courses offered by the Oregon State Fire Marshal, Federal Emergency Management Agency (FEMA) staff, American Red Cross or local Fire and Rescue authorities;

- For Addictions and Mental Health Division (AMH) and Developmental Disability (DD) AFH providers only, First Aid and CPR courses provided by or endorsed by the American Heart Association, the American Red Cross, American Safety and Health Institute, including MEDIC First Aid.
 - Aging and People with Disabilities (APD) AFH licensing rules do <u>not</u> allow First Aid or CPR courses to count toward the continuing training requirements.
- Oregon Intervention System (OIS) Training for DD Adult Foster Homes only;
- Bloodborne Pathogen training provided by Occupational Safety and Hazard Administration (OSHA).
- <u>Submitting Trainings to be approved by the Committee:</u> Please fill out <u>ALL</u> sections of the form completely and include any required materials. Requests may take up to one month for review. Please allow adequate time prior to your training event. An approved course is valid for 12 months from the date of approval. Any requests received without required materials will not be processed.

Note: Annual conferences must be approved each year. There may be some sessions within a conference that will not require prior approval from the committee, while other sessions may not qualify for training credit hours.

Section 1

Non-classroom training:

Section 3

Approval of credit hours will not be granted for offerings that have no direct relationship to skill development for the provision of care in the AFH setting or applicable business credits allowed. Do not submit certificates of completion; instead submit any training materials that you have such as PowerPoint slides, handouts and copies of the tests participants must take to receive a certificate.

✓ Types of requests that will be declined may include:

- **Course curriculum** may include a detailed description of the presentation, copies of slides and/or handouts that are provided as part of the training.
- Learning objectives must be described clearly.
- **Course agenda** with anticipated timelines is required.

Finances for Hosting Classes

If you host a class that requires using an outside trainer who charges a fee, there are a few things to keep in mind. First, **no CO-OP member should accept substantial financial loss as a result of being a member of the CO-OP.** Second, you can avoid taking a financial hit for hosting a class:

- 1. Charging too much may put people off, but charging too little risks not covering costs, so a resulting loss or cancellation. CO-OP classes typically are \$20 to \$40 per student, OIS typically \$95+ in 2017.
- 2. When you are negotiating a rate/contract with the trainer , ask these questions in addition to all the other logistical questions:
 - a. What is the maximum number of students you will allow in the class? How many would you be comfortable with as a minimum? How many have attended this class in the past, if any?
 - b. Are there printed materials? Do you provide them? Is that cost in your fees?
 - c. Will you sign a contract and/or commit that this training that will allow for a 1-week cancellation notice with NO CHARGE if we are unable to get enough students to cover the costs?
- 3. Calculate the total cost to your agency based on the following:
 - a. Instructor fee;
 - b. Printing costs of materials, handouts and flyers;
 - c. Snacks and beverages if you are providing;
 - d. Room reservation fee if you are not using free space;
 - e. Number of your staff attending (how much would you be paying to send them elsewhere to receive the same or similar training)
 - f. Number of attendees that the trainer or space will allow.
- 4. After considering all of the above cost factors, you are ready to calculate the registration fee you will charge participants. When you calculate the costs per person, assume you may fall short a few registrants. Set the **minimum** number of registrants you need to be comfortable with your agencies costs.
- 5. Advertise your class two months in advance. If within 2 weeks of the class you are not near your minimum number of registrants, contact the "E-Mail Keeper" to send a reminder notice. If within 1 week of the class you do not have enough registrants to recoup enough of your costs, cancel the class by notifying the instructor and all of the registered students AND refunding their fees.
- 6. See the attached fee worksheet for figuring out costs and registration fee.

Frequently Asked Questions (FAQ):

What do I do if I have a problem sticking to our assignment in the Annual Plan? Please do NOT try to make changes to the Annual Plan yourself! Contact the coop "E-Mail Keeper" if you are having trouble setting up to host your class in the target month, or far enough ahead, or the instructor isn't available. They may be able to help get the class planned and publicized or make other suggestions. Some changes are inevitable, but communication with the TASC team helps if you must plan a new date or target month. If you need to make a full trade with another CO-OP member, please follow instructions below 3+ MONTHS AHEAD! If a class must be delayed for a fixed amount of time, notify "E-Mail Keeper" to send out postponement notice.

One of the students registered and paid in advance but later asked for a refund. What do I do? Refunds are the decision of each host but the CO-OP's TASC recommends members only refunding for situations that are the fault of the host or the instructor or for registration cancellations made at least 10 working days prior to the class, or if the class is canceled, of course. Please do <u>not</u> provide refunds for those who are a "no show" for any class!

- What should I do about walk-ins and latecomers? Whether to let IN latecomers or unregistered students into the class is up to the Host. Anyone should bring payment in with them. Sometimes students are sent by agencies but payment is slow or there is a mix-up. If there is room in the class we suggest holding the certificate(s) until payment is received. Substantially late arrivals, if admitted, should get their class certificates modified to the closest 1/2 hour of actual class attendance time.
- **Who can get in to classes without paying?** The hosting agency's own staff members need not pay but their participation in the class should be counted as if they did for calculation of meeting expenses. TASC committee members should be admitted free when their purpose is to monitor the quality of classes and help promote or answer any questions about the Training CO-OP, unless it is a direct financial hardship for the Host agency,
- Why doesn't the Annual Plan have specific dates of classes for the year? The Annual Plan is just that, a <u>plan</u>. The planners do not know the availability of each instructor and each agency when the Plan is formulated. By setting a target month for classes held, we prevent: overlap of classes, bunching of similar classes, long gaps between basic classes, overloading too many classes in 1 month, and direct schedule conflicts. Our goals include offering a variety of medical, behavioral, psychiatric, clinical, related disciplines and experiential topics throughout the year. This approach gives people a reasonable level of access to multiple topic areas throughout the year, especially useful in the high turnover environment of this field.
- *Why isn't there a single place to register, such as on-line?* The CO-OP operates without ANY budget and on 100% in-kind donations of members' time; each class is self-supporting. The website is donated by Self Determination Resources Inc (SDRI) as a public service in support of the CO-OP. Centralized registration is ideal, but not achievable without significant funding. There is no paid administration, only the volunteer members of the Training Advisory Steering Committee (TASC).
- Why is there a single "E-Mail Keeper" sending out all of the class flyers rather than individual members sending out their own? It's difficult and time consuming for different people to track multiple changing membership and E-Mail addresses. A single "E-Mail Keeper" eases the load for individual agency CO-OP members. The single "E-Mail Keeper" maintains an updated list. It also helps make flyer formats more consistent and unintended schedule conflicts more easily detected. The website is another mechanism for publicizing classes, but is a secondary source only due to some delay in posting.

What if I can't meet my Hosting Responsibility or must make a trade?

- * Decide 3-4 months ahead of class assigned or <u>immediately</u> upon receiving reminder E-Mail about hosting a class whether you can host as assigned.
- * If unable to host an assigned class, seek a straight-across trade with another CO-OP Member. Notify "Host Kit Keeper" of change. Get suggestions from the TASC team about agencies to contact for least disruption to the Annual Plan's topics and assignments.
- * If unable to find a suitable trade, send an E-Mail to the "E-Mail Keeper" explaining <u>why</u> you are unable to host and requesting a CO-OP Member agency to voluntarily host the class. The "E-Mail Keeper" will notify the CO-OP Members.

- * If no volunteer is identified, send an E-Mail explaining that the class will be cancelled to the "E-Mail Keeper" for distribution. Then create a plan to meet future hosting commitments or notify the TASC that your agency will withdraw from the Region I Training CO-OP. Please make an effort to fulfill your commitment to the CO-OP; we rely on your support.
- Who do I contact to change or update some information about my agency's designated CO-OP Contact, E-Mail address, phone number, mailing address? For E-Mail address changes contact the "E-Mail Keeper". For changes to course titles, training sites, instructor info, etc., notify the "Host Kit Keeper."
- **Someone lost a training certificate. How can it be replaced?** A charge of \$5 per certificate replacement will be charged, if it is available. To request a replacement certificate, call or E-Mail the agency who hosted the class or the CO-OP's "Paper Keeper". The "Paper Keeper" can only replace certificates for classes for which rosters were received. The \$5 payments go to the agency that provides the replacement certificate. A confirmation letter documenting attendance may substitute for a copy of the original. Certificates will not be sent until payment is received and attendance is confirmed. The CO-OP does NOT keep a master list of classes completed (this is beyond the labor available) but does keep basic records of classes.
- **Can I register for classes online?** No, not at this time, but it is possible to download flyers and registration forms. Go to <u>www.SDRI-pdx.org/CO-OP</u> and on the left hand side you will see "Region I DD Training CO-OP links. Classes are available under the "Training Information" link. The "Class Schedule" can be reviewed by scrolling down or by selecting a month in the year. Flyers and Registration can be accessed from each class listing. Website listings are typically posted a week after the "E-Mail Keeper" sends out the announcement and flyers for each class.

Who do I contact for other questions about the Training CO-OP? Call or E-Mail any TASC member for more information. The TASC has divided up additional responsibilities as follows:

Host Kit Keeper: Joanne O'Connell, Multnomah County 503-988-6387 Joanne.oconnell@multco.us

Website Keeper: Michael Gmirkin, SDRI, 503-292-7142 michael@sdri-pdx.org E-Mail Keeper: Irene Lee, Multnomah County, 503-988-6396 Irene.Lee@multco.us

OIS Hosting Suggestions & Requirements, including \$\$\$ issues:

Hosting OIS does involve a possible financial risk for CO-OP members if there is a maximum number of students allowable in a class, and the instructor fees are substantial. The suggestions below may help minimize this risk to your organization.

- Only a select few OIS trainers have appropriate certification (official approval) to do OIS training outside their own agency. These are **OIS Independent Trainers**. Requests for a current list of OIS Independent Trainers:
 - ✓ Go to http://www.asioregon.org/oregon-intervention-system/community-supports/and scroll down to the different lists of OIS Instructors, choose 'OIS-Independent-Instructors'
 - ✓ contact ASI Data Coordinator, Amy Tona at (503) 941-5256 x136.
- The maximum number of students 1 OIS Instructor can certify is <u>12</u>. Current maximum allowed fee (2017) is \$1,080 **plus expenses** per workshop for 12 students. OIS Instructors are charging between \$90- \$105/student, depending on other expenses.
- If an OIS Instructor uses a co-trainer they can reasonably increase the number of class participants to 18.
 Occasionally, an Instructor may find another Instructor in need of a co-train (a certification requirement), or if your OIS Instructor is a Mentor, they can bring in a candidate to co-train & assist with a larger class.
- The fee the OIS Instructor quotes you may include handouts, evaluations & certificates, as well as snacks. Do ask the Instructor what they are providing. You may be able to negotiate the fee if you provide the photocopying and snacks.
- Doubling fees for non-CO-OP Members is not allowed for OIS.
- A room must be reserved for 2 full days, hold up to 24 people (includes trainer, possible observers) with space for the physical practice. It will also require Power Point/LCD projector and wireless access.

When setting registration fees, set a minimum number of attendees based on calculated costs. OIS usually fills quickly if well advertised (with plenty of time ahead). In the event you do not reach a minimum of attendees please contact the "E-Mail Keeper" to request an extra reminder notice. If still not enough registrants you can cancel the class.

No CO-OP member should have to absorb large financial losses for hosting CO-OP classes! Each class should be selfsupporting except for the donation of labor to coordinate/host. Any extra funds collected can remain with the hosting agency with intent to utilize funds for their own staff to attend other CO-OP classes.
